

LANGUAGES TEACHER TRAINING SCHOLARSHIPS

If you are passionate about French, German or Spanish you could receive a languages scholarship of £27,500 to support you during your teacher training.

WHY TEACH?

As a language teacher you can continue to use your language every day. You can play a part in equipping the next generation with skills employers need. Good language teachers are in demand and there has never been a better time to enter the profession, with attractive starting salaries and long-term job prospects.

As a Languages Teacher Training Scholar, you will, in addition to the financial support, receive access to mentor support and a range of professional development opportunities and resources.

Take a step towards inspiring a new generation of young people to love languages as much as you do.

AM I ELIGIBLE?

To be eligible to apply, you must have one of the following in French, German or Spanish:

- a 2:1, or predicted 2:1
- a relevant PhD or Master's degree, or recognised equivalent.

We may also consider your application if you have a degree in another subject, or a 2.2 (or predicted 2.2) if you are able to demonstrate significant knowledge in the target language.

You must also have secured a place on an eligible non-salaried languages teacher training scheme in England for the 2017/18 academic year by September 2017. And you must meet the student finance criteria (<https://www.gov.uk/student-finance/who-qualifies>), Your chosen teacher training provider will be able to advise you on this if you are unsure.
