

MEETING THE FUTURE HEAD ON

Tackling current issues in the MFL classroom

Join us at **Woodbridge School on Saturday 10th May 2025** for an inspiring keynote by **Ben Merritt** on **Harnessing the Power of AI in the New MFL GCSE** followed by workshops on *Developing spontaneous speaking and extended writing for the new GCSE* with **Vincent Everett**; *What the Goethe Institut's Gimagine initiative can do for you to help German thrive at your school with free mentoring, CPD and teaching and learning resources* with **Stefanie Green**; *Unpacking the writing paper for Pearson Edexcel GCSE* with **Louise Ballard**; *AI School Strategy: finding and fixing your students' AI gaps* with **Ben Merritt** and *Primary Languages* with **Viki Sage**; plus, the opportunity to network over a delicious lunch.
